

REPUBLIC OF RWANDA

MINISTRY OF TRADE AND INDUSTRY  
B.P 73 KIGALI

**PUBLIC ANNOUNCEMENT**

The Ministry of Trade & Industry in partnership with CIMERWA wishes to inform all cement traders, consumers and the general public that CIMERWA is currently undergoing scheduled plant maintenance which is expected to be completed by 20<sup>th</sup> April 2018. As a result, there has been a reduction in the daily supply of cement to the market.

Therefore, the Ministry of Trade & Industry in partnership with CIMERWA wishes to inform all cement traders, consumers and the general public that the price of cement at the factory has not changed. As such, there is no reason for cement traders to increase cement prices.

We take this opportunity to remind you that the recommended selling prices for CIMERWA cement remains as follows:

Product Type	Recommended Retail Price Range (per bag)
Premium cement (42.5 N)	9,800 Rwf - 10,000 Rwf
General purpose cement (32.5 N)	8,500 Rwf - 8,700 Rwf

Should any buyer experience prices that are higher than the above recommended price ranges, please contact any of the following toll free numbers **3739** or **3222**.

The Ministry of Trade & Industry wishes to remind the general public that pursuant to Article 27 of Law n° 15/2001 governing the organisation of Internal Trade, whoever will be found trading contrary to the above instructions will be punishable to a fine ranging from Twenty Thousand (20,000 Rwf) to Two Million (2,000,000 Rwf) Rwandan Francs depending on the severity of the offence.

Done at Kigali on the 28<sup>th</sup> March 2018.

  
MUNYESHYAKA Vincent

Minister of Trade & Industry

  
BHEKIZITHA W. Mthembu

CIMERWA Chief Executive Officer
